## Overseas Study Tour - ND Course 2021

The overseas study tour include visits to neighbouring, developing and developed countries. The aim of these tours is to examine the social, political, economic and military systems of those countries. The course members meet high-ranking civil and military officials and visit government, military and industrial establishments to exchange views and opinions. The visits also promotes good relation between those countries and Bangladesh. This year Course Members of National Defence Course 2021 along with Faculty and Staff Officers visited 2 countries in two groups. Group - 1 visited Russia and Group - 2 visited Brazil.
