COMMANDANT'S MESSAGE

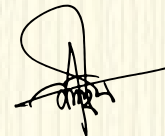

I am delighted to present the 27th edition of the Pictorial Yearbook of the National Defence College (NDC), a visual reflection of our academic excellence and institutional spirit. These images offer valuable insights of the NDC community. I believe that Course Members, faculty, staff, and alumni will take great pleasure in exploring this yearbook and reminiscing about their memorable time at the College. This publication will undoubtedly serve as a cherished keepsake for all associated with NDC.

The National Defence College stands as the premier national institution for excellence in training, education, and research in the fields of leadership, defence, security, strategy, and development studies. Over the years, NDC has evolved into a leading centre for senior military and civil service officers—both from Bangladesh and abroad—focusing on issues of national and international security. The College also conducts specialized training for mid-ranking officers of the Bangladesh Armed Forces, particularly in the field of war studies.

NDC has achieved remarkable advancement in fostering knowledge, professional competence, and institutional collaboration on multilateral security cooperation in Bangladesh. In this regard, the Capstone Course, held twice a year, brings together prominent policymakers, security professionals, judges, executives, civil society leaders, media representatives, entrepreneurs, and other distinguished personalities. I am delighted to observe the extensive global alumni network of NDC, whose members take immense pride in their association with the College. As Commandant, it is truly gratifying to see our alumni serving with distinction in esteemed positions both at home and abroad.

I extend my heartiest congratulations to all graduates of the ND Course 2025 and AFWC 2025 for successfully completing their respective courses. As they embark on new and challenging assignments of national and strategic importance, I have full confidence in their ability to excel. My sincere appreciation also goes to the faculty members and college staff for their unwavering dedication and professionalism, which have been instrumental in ensuring the smooth conduct and successful completion of the courses.

Finally, I commend the Research and Academic Wing and the Editorial Board for their diligence and commitment in bringing out this latest edition of BEACON.
