Commandant's Message

I am extremely delighted to see the 16th issue of 'PRODEEP', which has quite vividly portrayed the glimpses of courses curricula and activities conducted in the National Defence College (NDC). I am sanguine that the Course Members, the faculty, staff and the alumni alike would love to scan down this pictorial book to stroll through the nostalgic and colourful memory lane. All concerned will find this magazine as a treasure trove of happy memories.

NDC is the premier national institution in Bangladesh, a centre of excellence conducting training, research and education on defence, security, strategy and development studies. With the passage of time this prestigious institution has developed into an important training institution for the selected senior military and civil services officers from home and abroad on national and international security related matters as well as to impart training to mid-ranking military officers of Bangladesh on war studies. NDC also stands as successful institution over the years by enhancing knowledge, skill and networks related to multilateral security cooperation in Bangladesh among eminent law/policy makers, security practitioners, judges, executives, civil society representatives, media personalities, entrepreneurs and other distinguished personalities of the society. I am proud that NDC has huge alumni spread all over the globe and all of them hold high the 'PRODEEP', symbolizes "security through knowledge."

My heartiest congratulation to all the graduates for successfully completing the courses. They are going to undertake diverse, challenging and decision making assignments of both national and military significance, in their respective place of works. As commandant, I feel proud, when I come to know that our alumni are shouldering very high appointments both at home and abroad.

I would like to thank the faculty members and college staffs for their tireless effort in ensuring the smooth running and successful completion of the course. Finally, I appreciate the sincere efforts of the Research and Academic Wing and acknowledge the solemn endeavour of the editorial board to bring out the current Issue of 'PRODEEP'.

Views of Distinguished Personalities

It was an excellent experience to be in NDC programme. I enjoyed bit of it. The presentation on the subject: Terrorism and Counterterrorism was so appropriate for the time and the keynote speakers and the moderator did a superb job.

I must sincerely thank Gen Sarwardy, Comdt of the institution to honouring me by inviting to be Chief Guest. May Allah bless him.

It is a great home coming to NDC Mirpur, Bangladesh. I relive the good memories with nostalgia. I am greatly impressed with the level of progress in terms physical structures and capacity building initiatives of the NDC. I commend the Commandant, Lt Gen Hasan for the wonderful stride in repository NDC to a world class military institution. Bangladesh and Nigeria will continue to strive for excellence in military fields. I appreciate the Commandant, Faculty Members, Staff and Students of NDC for the warm reception.

It has always been a matter of great pleasure and pride to visit National Defence College in any capacity or any occasion. I thoroughly enjoyed attending the course itself as a participant in 2006 and have never looked back since. The environment, the engagement and total management one of such lofty standards that it should be an envy to all.

**ENGLISH TRANSLATION (LYRICS) OF SONG
A PERSONAL TRIBUTE TO BANGLADESH AND ITS PEOPLE**

Brig Shah Zaman (Pakistan)

Seeing you (Bangladesh) prospering: I get consoled over past grief
Seeing you prospering: I get consoled over past grief

Days over nights; I pray for your lasting prosperous life
Seeing you prospering; I get consoled over past grief

Days over nights; I pray for your lasting prosperous life
Seeing you prospering; I get consoled over past grief

For growing new flowers of prosperity; over Bangla Land
For growing new flowers of prosperity; over Bangla Land
For making you stand tall and distinct in the World Land

For growing new flowers of prosperity; over Bangla Land
For making you stand tall and distinct in the World Land
I extend my affectionate love: in your soul and the Heart Land

Seeing you prospering: I get consoled over past grief
Days over nights; I pray for your lasting prosperous life
Seeing you prospering: I get consoled over past grief

Now; no one dare; snatch away your love from me
Now; no one dare; snatch away your love from me
Now; no one ever; erect hatred between you and me

Now; no one dare; snatch away your love from me
Now; no one ever; erect hatred between you and me
Let me announce this today; by swearing to whole World

Seeing you prospering: I get consoled over past grief
Days over nights; I pray for your lasting prosperous life

Seeing you prospering: I get consoled over past grief
Days over nights; I pray for your lasting prosperous life
